

TABLE OF CONTENTS

6.1	Detection of wind shear	84
6.2	Format and dissemination of wind shear warnings.....	84
	Table A6-1 - Template for SIGMET and AIRMET messages and special air-reports (uplink)	85
	Table A6-2 - Template for aerodrome warnings.....	91
	Table A6-3 - Template for wind shear warnings.....	92
	Table A6-4 - Ranges and resolutions for numerical elements included in volcanic ash and tropical cyclone advisory messages, SIGMET/AIRMET messages and aerodrome and wind shear warnings.....	93
	Example A6-1 - SIGMET and AIRMET message and the corresponding cancellations	93
	Example A6-2 - SIGMET message for tropical cyclone	94
	Example A6-3 - SIGMET message for volcanic ash	94
	Example A6-4 - SIGMET message for severe turbulence.....	94
	Example A6-5 - AIRMET message for moderate mountain wave	95
	 DECODE OF EIGHT FIGURE GROUP APPENDED TO MOTNE/OPMET BROADCASTS	 97
	 AERODROME PAVEMENT CONDITION REPORTS THROUGH SNOWTAM/MOTNE	 101
	 AERODROME WEATHER REPORT - METAR AND SPECI DECODE	 103
	 AERODROME WEATHER FORECAST - TAF DECODE.....	 109
 METEOROLOGICAL DATA - AFRICA		
	Availability of Met Broadcast - Africa	A-3
	Met Broadcast in RTF and RTG - Africa.....	A-5
	Communication Pilot to Meteorologist.....	A-19
	Automatic Terminal Information Service (ATIS) - Africa	A-21
	Telephone/Fax Numbers and Hours of Operation of Met Stations - Africa.....	A-51
 METEOROLOGICAL DATA - ATLANTIC		
	Availability of Met Broadcast - Atlantic	AT-3
	Met Broadcast in Plain Language - Atlantic	AT-7
	Automatic Terminal Information Service (ATIS) - Atlantic.....	AT-21
	Automated and Centralized Meteorological Service - Atlantic	AT-41
	Telephone/Fax Numbers and Hours of Operation of Met Stations - Atlantic	AT-51
 METEOROLOGICAL DATA - CHINA		
	National Differences to International Forms - China	CH-1
	Availability of Met Broadcast - China.....	CH-3
	Met Broadcast in Plain Language - China.....	CH-4
	Automatic Terminal Information Service (ATIS) - China	CH-21
	Telephone/Fax Numbers and Hours of Operation of Met Stations - China	CH-51
 METEOROLOGICAL DATA - EUROPE		
	National Differences to International Forms - Europe	E-1
	Availability of Met Broadcast - Europe.....	E-5
	Met Broadcast in Plain Language - Europe.....	E-11
	Communication Pilot to Meteorologist.....	E-19
	Automatic Terminal Information Service (ATIS) - Europe	E-21
	Automated and Centralized Meteorological Service - Europe.....	E-41
	Telephone/Fax Numbers and Hours of Operation of Met Stations - Europe	E-51
 METEOROLOGICAL DATA - EASTERN EUROPE		
	National Differences to International Forms - Eastern Europe.....	EE-1
	Availability of Met Broadcasts - Eastern Europe	EE-5
	Met Broadcasts in Plain Language - Eastern Europe	EE-11
	Automatic Terminal Information Service (ATIS) - Eastern Europe.....	EE-21
	Automated and Centralized Meteorological Services - Eastern Europe	EE-41
	Telephone/Fax Numbers and Hours of Operations of Met Stations - Eastern Europe.....	EE-51
 METEOROLOGICAL DATA - MIDDLE EAST/SOUTH ASIA		
	Availability of Met Broadcast - Middle East/South Asia	ME-3
	Met Broadcast in Plain Language - Middle East/South Asia.....	ME-5
	Automatic Terminal Information Service (ATIS) - Middle East/South Asia	ME-21
	Automated and Centralized Meteorological Service - Middle-East/South Asia	ME-41
	Telephone/Fax Numbers and Hours of Operation of Met Stations - Middle East/South Asia.....	ME-51
