### WHO SHOULD ATTEND

If you are seeking a GCAA/FAA/ICAO Airline Transport Pilot License or wish to advance to the position of Captain or join a major Airline as First Officer, this course is designed for you. Applicants must be 19 years of age (23 for FAA), must hold a Commercial Multi Engine Instrument rating, and be able to read, write, speak, and understand the English language.

### WHAT YOU WILL RECEIVE

Graduates receive a comprehensive package of training and reference materials including a 15-volume set of ATPL manuals for home study reference, charts, maps and navigational information, a Jeppesen Training Services organizer, and a Jeppesen graduation certificate.

### TRAINING LOCATIONS

Courses are available at Emirates Aviation College, Dubai UAE. Courses may also be delivered at the customer facilities upon request. Students interested in attending ground school in other Jeppesen training locations can also consider taking the Jeppesen Dispatcher Certification training course (FOM-2). The ATPL written exam uses the same question test bank as the Dispatcher written exam, so training programs are similar.
