To get started:

1. Fill out the 2nd page of this order form
2. Save your completed form and e-mail it to captain@jeppesen.com
3. You may also print the form and fax or mail it, or call one of our customer service representatives to get started (fax, mail and contact information is at the bottom of page 2)

Visit www.jeppesen.com/inflighttrainingservice for more information.

Initial Airway Manual Includes:

- **Text Pages**** (introduction, chart legends, Chart Change Notices, preferred routes, tables and codes)
- **Enroute Charts**
- **Area Charts** (expanded views of high density and Class B areas)
- **Terminal Approach Charts**
- **Arrival and Departure Procedures** (SIDs and STARs)
- **Enroute Chart Pockets and State Tabs**

Four-month Revision Service Includes:

14-day revision cycle for the latest information available sent to your home.

Jeppesen charts are easy to use, featuring full color charts, loose-leaf design, and luminous paper—each making charts easier to read while flying.

*Binders are not included in Inflight Training Service Packages. May be purchased separately.

**Varies with geographic coverage

Instructions: Simply click in each field to begin typing your contact information. Save your completed form and e-mail it to captain@jeppesen.com. You may also print the form and fax or mail it, or call one of our customer service representatives (fax, mail and contact information is at the bottom of the page).
