

# MyJeppesen.com/fly-ba

One-stop convenience for business aviation operators.

MyJeppesen.com for business aviation is a complimentary one-stop, self-service gateway to your Jeppesen products, services and account management.

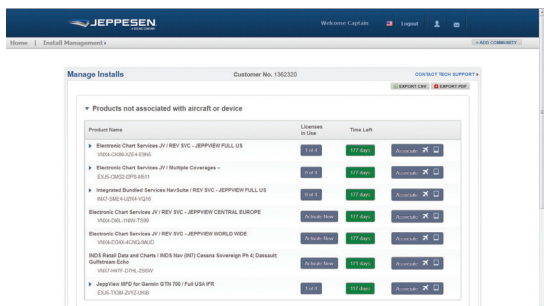

You asked and we listened—now you can access your products and services faster and more efficiently than ever.

You can access multiple products transforming MyJeppesen into a convenient one-stop application launch panel. You can also pay renewal invoices online, self-manage your installs on electronic devices, edit your company and personal profile, and reset passwords all in one place.

Do you already have an annual subscription to Jeppesen charting products, or an eLink or eChart Viewer account? If so, you can use your existing login to access MyJeppesen right now.

The single sign-on feature is currently available for eLink and eChart Viewer.

MyJeppesen.com delivers the personalized information you need anytime, anywhere.

## Easily track your installs

- Verify and manage the devices you have JeppView® services loaded on, for example four installs total—two on PCs and two on iPads®
- See exactly where the installs are used and when they happened
- Generate reports to get consolidated information about your installs

## System Requirements

Access to a computer running Google Chrome, Internet Explorer 8+, Mozilla Firefox 15+ or Safari 4.0+ and an Internet connection

## Instantly access many Jeppesen services

- Use the single sign-on feature to transform MyJeppesen.com into a convenient launch panel
- Get easy access to many of your applications from a single location

## Account self-management anytime, anywhere

- Go flying faster with added features that improve efficiency
- Reset passwords, edit your company and personal profile, and pay renewal invoices

## Superior customer support

- Get access to premium, personalized support from an industry leader in business aviation solutions with over 75 years of experience

## Critical flight information at your fingertips

- Get your flight information needs covered at MyJeppesen.com/fly-ba
- Receive technical support, chart change notices and chart cycle calendar information all in one convenient place

MyJeppesen.com has been optimized for iPad® 2, 3 and Samsung Galaxy.
